

MSA CONSERVATION

ANNUAL CONTRIBUTION FORM

Yes, I want to support the MSA's scientific, conservation and education programs. ⁽¹⁾

UNRESTRICTED – To be allocated and spent at the discretion of the MSA Board of Directors.	\$ <input type="text"/>
SALMON STOCKING – Stocking wild Atlantic salmon fry in low density areas in the same Miramichi River tributaries and brooks from which their parents came i.e. their natal waters.	\$ <input type="text"/>
COLD-WATER INITIATIVES – Enhancing cold-water refuges and seeps to provide thermal relief and protection to both returning adult salmon and growing juvenile fish.	\$ <input type="text"/>
REMOVING SPAWNING OBSTRUCTIONS – Breaching beaver dams and other in-stream obstructions each Fall so adult salmon can reach critical spawning habitat.	\$ <input type="text"/>
RESEARCH – Collaborative research programs and activities that will help fisheries managers better understand the many unique forces and challenges that are affecting salmon survival.	\$ <input type="text"/>
EDUCATION PROGRAMS – The MSA conducts school-based art and writing contests as well as a youth mentoring weekend called <i>MSA First Cast</i> . In addition, the MSA also supports the <i>NBSC's Fish Friends</i> program, various in-school fishing clubs, and awards an annual University scholarship.	\$ <input type="text"/>
INVESTMENT FUND – The MSA-US has established an Investment Fund in the USA to provide long-term financial support and stability for the organization's operations. In this way, contributions to the Investment Fund will provide ongoing support for salmon conservation for many years to come. ⁽¹⁾⁽²⁾	\$ <input type="text"/>

⁽¹⁾ All contributions to the MSA-US, whether for immediate expenditure or deposit to its investment fund, will be used exclusively to support the scientific, conservation and education programs of the MSA in Canada.

⁽²⁾ The MSA-US BOD has exclusive control over the timing and amount of expenditures from the US Investment fund.
