

**Miramichi Salmon Association
Field Technician Position**

Overview

The Miramichi Salmon Association is seeking a capable individual to fill a short-term position conducting conservation work on the Miramichi River.

Terms

40 hours/week for 6 weeks

Start Date

September 25th, 2023 (tentative, flexible)

Wage

\$20/hour

Education and Language Requirements

There are no education or language requirements for this position.

Certification Requirements

Applicants must have a valid Class 5 Driver's License. First Aid certification is an asset.

Skill Requirements

Applicants must be able to navigate using GPS. Applicants should be mobile and able to traverse difficult terrain. Familiarity with the Miramichi watershed and surrounding areas is an asset. Applicants able to canoe will be given preference.

Job Responsibilities

The successful applicant will be conducting beaver dam management throughout the Miramichi watershed. Responsibilities will include scouting for, accessing, and doing work at beaver dam sites.

To Apply

A resume is not required. Expressions of interest can be submitted to Butch Dalton, MSA Interim President by email (butch@miramichisalmon.ca) or phone (506-457-2233).
